These items are your responsibility. The camps are not responsible for damage, theft, or loss of any personal item.

FOOD ITEMS

You are permitted to bring snack items with you for your room, but we ask you to follow these guidelines:

Your roommates may have allergies to which you are unaware. Please bring only food items that are individually sealed & packaged, and consider bringing nut-free items.

There are no refrigerators. Anything you bring will need to be kept at room temp. Bring only what you really need.

Consider refillable water bottles rather than a case of water. You can not bring food from your room into the cafeteria. It is against health regulations.

Casual clothes

Sports clothes

Sunday clothes (optional)

Swim suit

Tennis shoes

Sweater or sweatshirt (rehearsal rooms and dorms can get very chilly)

****SAFETY NOTE - though flip flops may be comfortable summer footwear, they can often be dangerous. When the campus sidewalks get wet after our daily rainstorm they are extremely slick. There are also a lot of stairs in the buildings and on campus. Flip Flops easily get caught on the edge and suddenly you're face planting into the stairs. We encourage you to consider bringing only footwear that won't land you in the hospital!***
